

## **THE MEASURES THAT WE ARE TAKING**

- **We are keeping up to date with all guidance from the relevant authorities.**
- **We have placed hand sanitisers at entry and exit points and at high traffic areas.**
- **Our Staff have been trained in hand washing and hygiene requirements and have completed the necessary online training.**
- **All areas of the Hotel including all surfaces and equipment have been cleaned and sanitised and will continue to be cleaned and sanitised regularly.**
- **We have implemented physical distancing where possible and have installed screens between tables and chair for everyone's safety and comfort.**
- **We are displaying posters reminding customers and employees to adhere to physical distancing and hygiene procedures.**
- **We are operating table service only with booking slots of 105 minutes as per guidelines.**
- **We will be keeping a log of customer details for contact tracing purposes. This information will not be used for any other purpose.**
